WHERE: Hamlin Middle School
WHO: Any student who has turned in this completed registration form.

Hamlin Afterschool Coordinator: Julie Hein  School Phone: 744-6356  Cell Phone: 913-5795

The Schools Plus Afterschool Program is a partnership between Springfield Public Schools and Willamalane Park and Recreation District providing students with study time and enrichment activities afterschool. Space is limited. Sessions will coincide with middle school sport seasons. An activity bus leaves Hamlin at 5:05 p.m. for those who ride the bus to school. It does have limited stops. Contact transportation at 744-6373 for specifics.

The following guidelines will be used to run our program efficiently.

1. Students are to be in the room with ALL materials no later than 3:15 p.m.
2. All building and classroom rules will apply during afterschool academic and enrichment activities.
3. Participation in Schools Plus is a privilege. If a student is disruptive, they may not be allowed to use the study club as a resource or continue participating in Schools Plus activities.
4. Attendance will be taken daily. Students who do not attending on a regular basis will be removed from the program to make room for others.
5. Students are to leave school premises at 5:00 p.m. either by walking, taking the bus or being picked up.
6. Students will be able to leave the Schools Plus Afterschool Program and the building before 5:00 p.m. ONLY after parents have given written permission to the coordinator.
7. Students that leave the afterschool program early (with written permission) must leave school premises if walking home or wait quietly at the front entrance until their ride arrives.

Permission Slip to Attend HMS Schools Plus Afterschool Program

___________________________________________________________
(Student Name – First & Last) has my permission to attend the Schools Plus Afterschool Program at Hamlin Middle School. I have read and understand the above guidelines. I also understand that the study club activity leaders may not be a certified teacher. The activity leader is there as a resource but does not know what teachers expect and is not responsible to report to parents how their student is doing. ALL students attending the study club must have homework or a reading book to keep them occupied. Attending the study club in no way guarantees passing grades.
